FOREWORD

In the publication of the annual volume of the Statutes for 1934, I direct attention to the fact that for the fourth consecutive year copies have been made available for distribution in less than one month after the Legislative Assembly prorogued.

The innovation of last year in definitely separating Public Acts from Private Acts and of printing the Statutes in alphabetical sequence is repeated this year as this method has met with general approval.

At the end of the present volume there also appear for the first time two tables which should prove useful to the legal profession and the general public. One table gives a list of Statutes which have been enacted since the Revised Statutes of 1927 came into force and which were to come into force by Proclamation and the table indicates which of such Statutes have been proclaimed and the dates of proclamation, and which of such Statutes are not yet proclaimed. The other table gives a reference to Proclamations, Orders-in-Council and Regulations of general interest and effect which have been made under statutory authority since 1st January, 1933.

It is my hope that the improvements above mentioned will make this volume of Statutes of more value to the general public.

W. H. PRICE,
Attorney-General.

—and—

THE INDUSTRIAL MORTGAGE AND TRUST COMPANY
(hereinafter called the "Industrial"),
of the second part.

Whereas the Industrial has agreed to purchase and take over all the assets, goodwill and undertaking of the East Lambton upon the terms and conditions hereinafter set forth.

Now this Indenture witnesseth that in consideration of the mutual covenants and agreements herein contained, and of the considerations hereinafter set forth, the Parties hereto agree with each other as follows:

PART I

1. The East Lambton agrees to sell, and sells, to the Industrial, and the Industrial agrees to purchase, and purchases, the entire business, assets, rights, credits, effects and property, goodwill and undertaking of the East Lambton, including the right to use the name of East Lambton in connection with the business so purchased, and to represent the Industrial as carrying on such business in continuation of the East Lambton business and in succession thereto, and to use the words "formerly the East Lambton Farmers' Loan and Savings Company" or any other words indicating that the business is carried on in continuation of or in succession to the East Lambton, for the consideration hereinafter set out.

2. The consideration for the sale hereby made shall be: (a) The assumption by the Industrial of the liabilities of the East Lambton to the creditors of the East Lambton, and the Industrial shall pay and satisfy such liabilities in due course, and (b) The payment to the shareholders of the East Lambton of such sum of money as may be realized in accordance with the clauses hereinafter set out in Part II hereof, which payment is to be made in the manner set out in Part III hereof.

3. The Industrial shall accept such title to the properties, mortgages and other assets hereby agreed to be sold, and sold, as the East Lambton possesses.

4. Any right of action hereby assigned or transferred by the East Lambton to the Industrial may be exercised or enforced, and any proceedings which may have been commenced by the East Lambton in connection therewith at the date of ratification of this Agreement may be continued in the name of the Industrial or in the name of the East Lambton for the benefit of the Industrial.

5. This Agreement (save Paragraphs 6 and 7 which shall become operative immediately) is entered into provisionally and shall become operative if and when duly ratified by the shareholders of the East Lambton and the Industrial, and validated and confirmed by an Act of the Legislature of the Province of Ontario, but when ratified, validated and confirmed as aforesaid shall be deemed to be operative and effective as and from the 31st day of October, 1933.

6. Pending ratification, immediately upon this Agreement being executed the Industrial may enter into possession of the property and assets of the East Lambton and carry on the business of the East Lambton, and the East Lambton shall deliver possession of the property and assets aforesaid to the Industrial, and the Industrial may thereupon exercise the right hereinbefore set out in Paragraph 1 to represent the Industrial carrying on business in continuation of the East Lambton business.

7. Should this Agreement not become operative by reason of the failure of the ratification, validating or confirmation required by Paragraph 5 hereof the East Lambton shall repay to the Industrial all moneys advanced or expended by it hereunder and all costs, fees, charges, expenses or disbursements paid or incurred by it in connection with the conduct and carrying on of the business of the East Lambton or of or incidental to this Agreement or preliminary thereto, including such fee as the Industrial may fix for the services rendered by it, together with interest thereon at 6½ per cent. per annum from the date of such advances, payments or disbursements as aforesaid, less the amount received from time to time in respect of the realization of any of the assets of the East Lambton, and upon payment to the Industrial of the amount payable to it under this clause, the Industrial shall deliver up possession of the assets of the East Lambton to the East Lambton.

Nothing in Part II of this Agreement shall in any way limit or restrict the effect of Part I of this Agreement, and in particular this Part shall not in any way detract from the title to the assets vested in the Industrial by the provisions of Part I, or limit or restrict the assumption of the liabilities of the East Lambton as set out in said Part I. It is the intention of the Parties hereto that the provisions of this Part II are for the purpose of providing a method of computation of the consideration payable to the shareholders of the East Lambton under the provisions of Section 2 (b) of the said Part I, and that such consideration shall be based on the actual realization of the assets of the East Lambton, and that the profit to the Industrial as a result of the purchase of the East Lambton shall be limited in the manner hereinafter set forth.

12. The Board of the Directors of the East Lambton shall appoint an Advisory Board consisting of three members, with whom the Industrial may consult as to the price and time and method of realization by the Industrial of any of the assets purchased under this Agreement, but the Industrial shall not be bound by the opinion or advice of such Advisory Board, until such time as the amount of the Surplus Assets available for distribution to shareholders shall be ascertained as hereinafter set out. Such Advisory Board, or the continuing members or member thereof, shall have power to appoint any other person or persons in place of any member of the Board resigning, dying or otherwise becoming incapable of acting.

13. The Industrial shall cause to be kept such accounts (hereinafter called for the purposes of this Agreement "the Realization Accounts") as shall show all receipts by way of income or capital that may come from the said assets, and also shall show the following items by way of expenditures or charges.

- (a) The amounts from time to time paid by the Industrial on the liabilities of the East Lambton. When the Industrial takes a deposit account of the East Lambton into its own books of account, such taking shall be deemed a payment of the balance due the depositor at the time of such taking, and it shall be so entered on the Realization Accounts. When a debenture-holder of the East Lambton accepts an obligation of the Industrial in exchange for, or in renewal of, his debenture, such debenture shall be deemed to be paid for the purpose of the Realization Accounts. In addition to such items, the amounts paid in cash upon the liabilities of the East Lambton shall be shown in such accounts.
- (b) Interest accruing due from the 31st day of October, 1933, on the debentures of the East Lambton until such time as the said debentures are paid by the Industrial, either in cash or otherwise, as aforesaid.
- (c) Interest on the deposit liabilities of the East Lambton until the same are paid either in cash or otherwise as aforesaid.

(d)

- (d) All legal costs, charges and expenses incurred or paid by either party hereto in connection with this purchase, or with this Agreement and its carrying out, and also with its ratification and confirmation.
- (e) All municipal and government taxes chargeable in connection with the business, assets or income of the East Lambton, whether due or accruing due at the date of this Agreement, or which may hereafter be levied or imposed with respect to such assets or income, or the business which the Industrial will carry on at the premises of the East Lambton until such time as the assets available for distribution to the shareholders of the East Lambton shall have been determined as hereinafter set out.
- (f) All salaries, fees and other incidental expenses that may be incurred by reason of the Industrial continuing to carry on the business of the East Lambton as a Forest branch of the Industrial, such outlays and expenses not to exceed the amount at which the same are running at the time of this Agreement, provided that if the Industrial shall close such Forest branch, it may charge in lieu of such salaries, fees and other expenses an amount as overhead that will not exceed the amount that it had been paying while operating the Forest branch.
- (g) The taking of an asset of the East Lambton into the books of the Industrial shall be deemed to be a realization and shall be entered in the Realization Accounts accordingly.
- (h) And generally such Realization Accounts shall show all such items of receipts and expenditures as would appear if the East Lambton were continuing to carry on business for the purpose of realizing their assets, and paying their liabilities, and in addition such accounts shall show:
- (i) Interest at the rate of six and one-half ($6\frac{1}{2}$) per cent. per annum on all moneys borrowed by the Industrial for the purpose of making payments upon the liabilities of the East Lambton.
- (j) An allowance to the Industrial at the rate of 1 per cent. per annum calculated upon the total liabilities of the East Lambton to its creditors as of the 31st day of October, 1933, until the 31st day of December, 1935; and thereafter, an allowance to the Industrial at the rate of 1 per cent. per annum of the amount of the liabilities of the East Lambton to its creditors as shown by the Realization Accounts as still unpaid, the allowance for each year to be computed on the amount of such liabilities as at the end of the preceding year. Provided that if the amounts of such allowances shall not aggregate the sum of \$15,000.00 from the date of this Agreement until all the liabilities of the East Lambton have been paid or satisfied, then the Industrial shall be entitled to an additional allowance to bring the aggregate sum up to \$15,000.00, which shall be the minimum amount to which the Industrial shall be entitled hereunder. The Industrial shall be entitled to pay itself the aforesaid allowances out of the said assets at such time or times and in such manner as it sees fit.

14. As and when it appears from the said Realization Accounts that the liabilities to the creditors of the East Lambton have been paid or satisfied, and all other expenses, charges and disbursements, as set out in Paragraph 13, including the sums allowed to the Industrial, have also been paid and satisfied, then the balance of the assets of the East Lambton purchased under this Agreement, which will appear by these Realization Accounts to be still in the hands of the Industrial (hereinafter called the Surplus Assets) shall be dealt with as set out in Part III.

PART III

DISTRIBUTION OF SURPLUS ASSETS TO SHAREHOLDERS
OF EAST LAMBTON

15. The Industrial shall proceed to realize upon the Surplus Assets for the benefit of the shareholders of the East Lambton at such times as and when instructed by the Advisory Board, and for such prices and upon such terms as the Advisory Board may fix.

16. The East Lambton shall furnish the Industrial with a list of its shareholders, verified by a statutory declaration of the proper officer, as of the day upon which this Agreement is validated and confirmed by the enactment of an Act of the Legislature of the Province of Ontario, and such list shall set out the names and addresses of the shareholders, together with the number of shares held by each one. From and after such last-mentioned day the East Lambton shall be dissolved except in so far as it is necessary to give full effect to this Agreement, and the shares of the East Lambton shall no longer be transferable. The shareholders of the East Lambton shall deliver up to the Industrial their share certificates and shall receive in lieu thereof a receipt for such certificate and an acknowledgment that the shareholder is a person entitled to share in the distribution of the Surplus Assets under this Agreement. This receipt and acknowledgment shall not be transferable.

17. The Industrial shall distribute the proceeds of the realization of such Surplus Assets rateably among the holders of such receipts and acknowledgments, in the proportion in which they held shares of the East Lambton; such distribution to be made at such times and in such manner as the Advisory Board shall decide. The Industrial shall be entitled to be paid a sum equal to 5 per cent. of the amount available for such distribution to be deducted by it before making the distribution.

18.
